Artwork preparation

- Use page 1 at 100% scale; do not resize the artwork guides.
- Extend all backgrounds to the outer red bleed boundary.
- The black line marks the finished panel edge.
- Keep text and logos inside the orange safe-area line.
- Full-colour printing is included on both outward-facing panels.
- Supply both face designs if different; inside backs stay plain white.
- For the same artwork on both outward faces, add an Order Note.
- Remove all guides and labels; outline or embed fonts.
- Use suitable image resolution and upload for the matching option.

Important

Choose the matching option and quantity, select Artwork Assistance if needed, then upload artwork and Add to Order. No payment is required at submission.
