Artwork preparation

- Extend background colours and images to the red print edge.
- Keep text, logos and faces within the green type safe guide.
- The pink line marks the trim. Edges and corners follow the curved guide.
- For double sided displays, supply separate front and back artwork files.
- Remove guide lines and the instruction panel from the final artwork.
- Supply a print-quality PDF with fonts embedded or converted to outlines.
- Use CMYK where supported. Ask JBMVootu if you need artwork assistance.
